AP COURSES:

Currently offering the following AP courses: Chemistry, Biology, and Calculus.

DUAL ENROLLMENT

High school students in grades 11 and 12 may take classes in a dual enrollment arrangement for both high school and college credit. A standard 3 credit online dual enrollment course is equivalent to 0.5 high school credits. In order to be eligible for dual enrollment, students must be enrolled as a full-time student at TCS in at least four classes (not including choir and only one teacher’s aide class). Deadlines apply for completion of coursework.
