### ***STATEMENT OF FAITH***

1. We believe the Bible is the inspired, inerrant, infallible, and authoritative Word of God. (II Peter 1:19-21 and II Timothy 3:16)

2. We believe there is only one God who is eternally existent in three persons. Those three persons are: God the Father, God the Son, and God the Holy Spirit. (Genesis 1:1; John 9:35, 10:30, and 14:16-26)
3. We believe in the Deity of the Lord Jesus Christ, He is God the Son. We believe in His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood; and His personal, bodily return in power and great glory. (Matthew 1:18, John 1:4, Acts 1:11; and I Thessalonians 4:16-17)
4. We believe that regeneration by the Holy Spirit is essential for the salvation of lost and sinful men. (John 4:14; and II Thessalonians 2:13-14)
5. We believe in the resurrection of the saved unto life and the resurrection of the lost unto damnation. (Mark 16:16 and John 5:29)
6. We believe in the spiritual unity of believers in the Lord Jesus Christ. (Romans 12:16; 15:6, II Corinthians 13:11, and Ephesians 4:3)
7. We believe the indwelling of the Holy Spirit enables the Christian to live a godly life, in accordance with Biblical principles. (John 6:37-40, 10:27-30; I Corinthians 1:4-8; I Peter 1:5; Romans 1:21-27; I Corinthians 6:9-20)

### **STATEMENT OF NONDISCRIMINATION**

Timberlake Christian Schools admit students of any race, color or national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students of the Schools. The Schools do not discriminate on the basis of race, color, or national and ethnic origin in the administration of their educational or admissions policies, hiring, or their scholarship, loan, or other schools-administered programs. This statement of nondiscrimination shall appear in all of the schools' promotional literature.

In addition, since it is our biblical role is to work in conjunction with the home to mold students to be Christlike, on those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the biblical lifestyle that the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to, living in, condoning or supporting sexual immorality; professing to be a homosexual/bisexual/transgender person or engaging in or practicing homosexual/bisexual/transgender, as well as condoning, supporting or otherwise promoting such practices; or otherwise having the inability to support the moral principles of the school. (Leviticus 20:13a, Matthew 19:4-6; Romans 1:21-27; I Corinthians 6:9-20).

## **EDUCATIONAL PHILOSOPHY & ACCREDITATION**

### **EDUCATIONAL PHILOSOPHY**

#### **Biblical Foundations**

The educational philosophy of Timberlake Christian Schools is based upon the Biblical view of truth and man as set forth in the Bible. The verbally inspired Word of God in its truthfulness and completeness it is the only criterion, the supreme and final authority, for faith and practice, and therefore, is the starting point of all rational inquiry and the guide to all interpretation of reality (2 Peter 1:19-21; 2 Timothy 3:16). The Bible is the source of the principles determining other subjects and the way in which they are taught. The presentation of Biblical truth is thus not confined to a single segment of the curriculum--the study of the Bible--but is integrated throughout the teaching of all subjects. This facet of TCS makes us unique among most schools in our community.

Man, created in God's image (Genesis 1:26-27), and for fellowship with Him (Revelation 4:11), fell through disobedience to his Creator. His rebellion against God (Genesis 3) brought all mankind under the dominion of sin with all humans being born essentially sinful (Romans 5:12). God provided for the restoration of His image in man through His Son, the God-Man, Jesus Christ (I Timothy 3:16). He came into the world to redeem mankind by His substitutionary death on the cross and the shedding of His blood (I Peter 2:24; Luke 19:10; Romans 3:24-26; Hebrews 9:22). His bodily resurrection proved Him to be the Son of God (Romans 1:4) with power to save all who come to God by Him (Hebrews 7:25).

#### **Purpose of Existence**

According to God's Word, parents are responsible for their children's education (Genesis 18:19; Deuteronomy 6:5-7; Proverbs 22:6; Ephesians 6:4; II Timothy 1:5;3:15). It follows that the education of the children is the prerogative

of the parents or church members (Romans 13:7; Luke 20:25). In order to reinforce the educational ministries of the home and church, Christians may elect to form a Christian school. Although the school supports the home, it is subordinate to the church in its position of responsibility and authority. The Christian school acts *in loco parentis*, or in the place of a parent, as an extension of and partner with the Christian home and church.

### Goal of Education

The Christian's highest purpose is to glorify God (Colossians 1:15-17). The Christian school can best fulfill this purpose by helping students develop Christlikeness in both character and action after their salvation. Growth in godliness proceeds step by step from rebirth toward full maturity "in the knowledge of our Lord Jesus Christ" (II Timothy 3:17; II Peter 1:5-8).

### Means of Accomplishing Goal

- A. For the students' spiritual development (I Samuel 2:26; Luke 2:52), the schools seek to see all students come to a saving knowledge of Jesus Christ. We then encourage students to strive to develop Christlikeness, resulting in holiness of character (1 Peter 1:16) and a Biblical worldview. The means by which these goals are accomplished are
  - providing regular chapel services and special preaching times as well as student-led mentoring groups;
  - maintaining daily Bible classes that include Scripture memory and personal application of spiritual principles;
  - offering mission emphases, trips, outreach opportunities, and other opportunities for students to use their abilities in service; and
  - giving daily exposure to Biblically integrated teaching;
- B. For the students' academic or intellectual development (I Samuel 2:26; Luke 2:52), the schools endeavor to maintain high academic standards and thorough instruction, not as ends in themselves but as a means of improving and equipping students as servants of God and as preparation to fulfill God's will for their lives, which may include successfully competing at higher levels of education and training. The means by which these goals are accomplished are
  - providing quality instruction that includes a variety of teaching methods and an awareness of the individual needs of students;
  - challenging students to think critically;
  - offering college preparatory classes;
  - honoring students with strong academic records; and
  - providing scholastic competitions in various subject areas;
- C. For the students' personal and social development (I Samuel 2:26; Luke 2:52), the schools help the student to develop a proper understanding of himself or herself as a unique individual created in God's image as well as to refine God-given abilities. The means by which these goals are accomplished are
  - providing a continual emphasis upon the goal of service and a provision in the program for instruction in skills and disciplines that equip for service (Mark 10:45);
  - giving daily training in godly habits and personal responsibility;
  - encouraging and requiring a mutual respect among all students, faculty, and administration;
  - employing various systems of discipline to help students develop and maintain their own restraint and discipline; and
  - offering various opportunities for social interaction among students.
- D. For the students' physical development (I Samuel 2:26; Luke 2:52), the schools encourage the students to maintain physical fitness, good health habits and God-honoring use of the body as the temple of God. The means by which these goals are accomplished are
  - providing regular and varied physical education;
  - giving health instruction with principles based on God's Word;
  - maintaining an athletic program with interscholastic competition at various levels;
  - expecting and promoting sportsmanship and Christlike attitudes during physical activities of any kind; and

- offering a nutritious food service.
- E. For each student's home (Deuteronomy 6:5-7), the school fulfills the role of reinforcing godly principles taught at home and at church, but not usurping the role of either. The means by which these goals are accomplished are
- cooperating closely with parents in every part of their child's development, particularly as it relates to the programs of the school;
  - helping students to understand the mission and purpose of the school;
  - aiding families in spiritual growth and building Christ-centered homes; and
  - encouraging regular attendance and involvement in a local church.

### **ACCREDITATION**

Timberlake Christian Schools is accredited by the Association of Christian Schools International (ACSI) and AdvancEd (formerly SACS). These organizations certify our teachers.

### **ADMISSIONS**

#### **ADMISSIONS POLICY**

TCS admits students of any race, color, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the Schools. The Schools do not discriminate on the basis of race, color, or national and ethnic origin in the administration of their educational, personnel, hiring, or admissions policies, or their scholarship, loan, or other school-administered programs. As a Bible-believing institution, this policy of nondiscrimination does not extend to areas of religious conviction, beliefs, or moral life style contrary to Scripture. Our biblical and philosophical goal is to develop students into mature, Christlike individuals who will be able to exhibit a Christlike life. Of necessity, this goal involves the school's understanding and belief of what qualities or characteristics exemplify a Christlike life. Timberlake Christian Schools abides by the Biblical teaching on the subject of sexual immorality. The Bible makes it clear that Christians should flee from sexual immorality (I Corinthians 6:18-20), including, but not limited to premarital sex, homosexual lifestyle, and bisexual or transgender identity. While enrolled at Timberlake Christian Schools, all students are expected to exhibit the qualities of a Christlike life espoused and taught by the school and to refrain from certain activities or behavior.

Thus, Timberlake Christian Schools retains the right to refuse enrollment to or to expel any student who engages in sexual immorality, including any student who professes to be a homosexual/bisexual/transgender person or who engages in or practices homosexual/bisexual/transgender behavior, as well as any student who condones, supports, or otherwise promotes such practices (Leviticus 20:13, Matthew 19:4-6; Romans 1:21-27; I Corinthians 6:9-20).

In cases in which a student has engaged in flagrant, immoral, illicit, illegal, homosexual, bisexual, transgender and/or other unacceptable behavior which reflects adversely on Timberlake Christian Schools, on campus or off campus, when school is in session or in recess, the school reserves the right to suspend or expel the student immediately. The administration may give parents the option to withdraw the student. In doing so, the discipline issue will not be discussed in the student's records. The Administrator will report all actions to the Executive Committee.

We reserve the right to make decisions regarding the acceptance or non-acceptance of any credits to be transferred to TCS.

#### **PASTORAL RECOMMENDATION AND CHURCH INVOLVEMENT**

Since our program becomes progressively more focused on discipleship, students entering grade 6 ought to profess personal salvation in Jesus Christ and attend a Bible believing church regularly. Timberlake Christian Schools expects that all of its students attend a church of like faith regularly. For enrollment or re-enrollment, we require a yearly pastoral reference for each student in grade 6 (some temporary exceptions may be made for

international students). A TCS staff member will contact this pastor/spiritual leader to verify involvement as part of the enrollment process.

## **DAILY OPERATIONS**

### ***ATTENDANCE***

#### Excused Absences:

Excused absences include illness, death of a family member or close relative, medical or dental appointments, or an absence which has been excused at the discretion of the administration or student services. All prearranged absences (e.g. family trips) must be approved by the principal or student services in advance (requested via email or parent note) in order to be excused. Absences with valid reasons will be excused only after parent notifies student services by phone, written note, or email. If a student is absent for an appointment, a doctor's note must be provided at the front desk in order for absence to be excused. Absences due to illness lasting great than 5 consecutive school days will require a doctor's note upon return to school. Work missed may be made up according to the information below.

#### Unexcused Absences:

A student is unexcused if he/she is absent for any reason other than for illness, death of a family member or close relative, medical or dental appointments or an absence which has been excused at the discretion of administration or student services. Approved reasons for absences without a parent phone call, written note, email, or doctor's note will also be unexcused. Student may make up classroom work missed but letter grade will be lowered by one grade.

#### Excessive Unexcused Absences:

Students will be allowed up to 9 unexcused absences per semester before the case is reviewed by administration and action is taken. This includes both individual class absences as well as school day absences. Students who miss more than 9 days/semester other than hospitalizations, physician documented illness, funeral, or approved school related trip may not receive credit for the course. Notes, emails, or phone calls must be received within 48 hours of absence. Absences with a doctor's note will be excused.

#### Truancy:

Deliberate absence without the knowledge and permission of the parents will result in a grade of zero for each subject missed that day and suspension for the first offense.

A student must be at school in the classroom at least three hours to be counted as present for the full day. If a student misses more than three hours, it will be considered a half day absence.

#### Tardies:

Students are expected to be in their homeroom classroom by 8:20am each day. Students arriving in their homeroom classroom after the 8:20am bell will be considered tardy. Tardies will be excused for personal illness, illness or death in the family, dentist or doctor appointments, or a reason that has been excused at the discretion of administration or student services. Tardies with valid reasons will only be excused after parent notifies student services by phone, written note, or email. If a student is tardy due to an appointment, a doctor's note must be provided at the front desk in order for tardy to be excused. Work missed may be made up according to information below.

#### Grade K-3 Tardies

If a K-3 student accumulates 12 unexcused tardies, the student will serve a one day out-of-school suspension. The student will not be allowed to come to school on the next designated day after a parent is notified by the office. The office will notify the parent and make them aware when the student has reached 10 tardies and that a suspension is coming after 12 tardies. After a full-day suspension is served, student starts at zero tardies for penalties given but number of tardies is maintained through the whole semester.

#### Grade 4-6 Tardies

Student tardies will follow the following guidelines and are cumulative for the semester:

- Three unexcused tardies – Parents are notified via email of risk of future penalty at 6 unexcused tardies.

- Six unexcused tardies – Parents are notified via email. Student serves a 30 minute after-school detention on a day designated by TCS after 6<sup>th</sup> tardy is communicated to then parents.
- Nine unexcused tardies – Parents are notified via email. Student serves a 50 minute after-school detention on a day designated by TCS after the 9<sup>th</sup> tardy email is communicated to the parent.
- Twelve unexcused tardies – Parents are notified. Student serves a half-day in-school suspension on the next scheduled school day after the 12<sup>th</sup> tardy is communicated to parents.
- Eighteen unexcused tardies – Parents are notified via email. Student serves full-day out-of-school suspension on the next scheduled school day after the 18<sup>th</sup> tardy is communicated to parents.

After a full-day suspension is served, the tardy count returns to zero tardies for penalties given but the number of tardies is maintained through a semester.

### Make-Up Work

The following are guidelines for making up homework/missed work:

1. When a student has an excused absence, it is the parent/guardian's responsibility to obtain and make up the work missed. The student will be given as many school days as he/she was absent to make up work, up to 5 days. (For example, if a student is absent Monday—one day—and returns Tuesday, make up work is due Wednesday, one day later.) Work turned in by the time required will be graded at full credit.
2. If a student knows he/she is going to be absent (family vacation, etc.), it is the student's responsibility to get as many assignments as are available before leaving school. Teachers are not required to prepare all student work prior to a prearranged absence but may have it ready upon the student's return. All work given and assigned should be submitted upon return.
3. Make up work not turned in on time will result in a lowered grade or may not be accepted.
4. Special arrangements may be made in the case of an extended illness or emergency absence.
5. Homework /missed work will be due as scheduled for students who leave early due to athletics or illness IF they were present for the subject in which the work was assigned. If the student misses the subject with assigned work/homework, the student will be given 1 additional day to complete the assignment.
6. When a student has an unexcused absence, it is the *student's* responsibility to obtain and make up the work missed. Missed work turned in late will result in a lowered grade or may not be accepted.

### Requesting Make-Up Work:

If your child will be tardy or absent from school, and you want to request make up work, please notify the school office no later than 8:45 am for pick up at the end of the school day. Requests received after 8:45 AM are not guaranteed for after school pick up. You may also request make up work be sent home with a sibling or someone you designate. Do not go to the classroom for assignments during school hours. The personnel in the school office will be happy to assist you.

Elementary students must remain in the care of the high school student while they remain at school, and the high school student may not be involved in a practice or playing a game.

**INFORMATION UPDATES**

The school calendar is posted on the school's website [www.tcs4u.org](http://www.tcs4u.org). School information updates are sent regularly informing families of official announcements, schedule changes, and/or general school information to parent email addresses. Schedule changes and announcements that are made the day of the activity/event will be sent to parents via text message and email. In the event of a school emergency, parents will be alerted via text and email when it is safe to do so. TCS offers parental access 24/7 to student records and progress through RenWeb.

**SCHOOL CLOSING INFORMATION**

If school is to be closed or the schedule altered because of inclement weather or a special emergency, a parent alert text message and email will be sent to parents. An announcement will be put on the TCS website at [www.tcs4u.org](http://www.tcs4u.org). The school will also notify local radio and TV stations. If no announcement is made, it is understood that school is in session and operating on the regular schedule.

**LOCKERS (Grade 6)**

Any locker may be opened and its contents searched or examined by school authorities without the permission of the student at any time when, at the discretion of the school authorities, they deem it necessary to do so.

Lockers and hooks are provided for student items (book bags, lunches, books, etc.) during the day. Any student items that are found in the hallway, not on hooks, during or after the school day will be placed in the lost and found area. Lockers are not to be written on or have permanent or difficult to remove decals or stickers placed on them.

**MEDICATION/ILLNESS POLICY**

If your child has evident signs of illness such as fever, nausea, vomiting, rash, conjunctivitis, etc., please do not send the student to school. Students must be fever free (without the aid of medication), free from vomiting and/or diarrhea, or if other specified treatment needed for 24 hours before they may return to school. Parents will be contacted for early pickup in the event a student has a fever (greater than 100.0 degrees), vomiting, multiple episodes of diarrhea or signs of other viral illnesses while at school. In regards to head lice, students found to have an active case will be sent home from school for treatment. Students will be allowed to return to school once their hair has been treated but should continue to have their hair checked for nits and combed daily at home until all

recommended treatments have been given. There may be instances not listed above which, at the school's discretion, we will require you to pick up your student early.

In the event of a serious accident or illness, parents will be notified, but priority will be given to providing any emergent care to the student first. If the parent cannot be reached, we will attempt to reach the emergency contact(s). If the emergency contact(s) cannot be reached, appropriate care will be obtained as determined by the staff on hand.

Whenever possible, medications should be given to students at home. When medications must be given or stored at school, the medication must be brought into the school office by the parent or guardian. All medication must be provided in the original bottle and packaging; contain all instructions for administration, and not be expired. No medication will be given to students without parent or guardian permission. All long term prescription medication, including epi-pens and inhalers, must have the appropriate medication administration request forms on file in the school office including a physician signature. These forms may be picked up at the school office or through the [tcs4u.org](http://tcs4u.org) website.

Medications (including vitamins) may NOT be carried by the student for self-administration without permission from the school office. TCS has a few OTC medications (Tylenol, ibuprofen, Tums, Benadryl, antibiotic ointment, cough drops, lubricating eye drops, and astringent/redness relieving eye drops, cold/cough medicine) available for as needed use. These medications are not for regular use and can only be given with parent permission. If your student needs medications regularly, you must provide your own supply. Any unused student supplied medication will be destroyed if not picked up by a parent or guardian by the end of the last day of school unless your child is enrolled in summer day camp.

### ***PARTIES***

For birthdays, parents may send refreshments for the class which may be shared during lunch or snack time. Please provide napkins, plates, cups, etc. if appropriate. Party invitations (for a party other than at school) may be distributed by the student or the teacher may put them in student folders if all the boys or all the girls or the entire class is invited. The following parties have been designated for the school year for grades K-6: Thanksgiving, Christmas, Valentine's Day, and Easter. Timberlake Christian Schools does not promote Halloween.

### ***VISITORS***

Visiting students from other schools are not allowed on campus during the school day. Visitors are not permitted to eat lunch with a TCS student, unless the visitor is a parent, TCS alumni, or is authorized by the parent to visit the school. Visitors should wear appropriate school attire. TCS reserves the right to admit or reject visitors during the school day.

## **DISCIPLINE & CONDUCT**

### ***BEHAVIOR 24/7***

It is our goal to help students endeavor to develop their whole person with an integrated Christian lifestyle. We ask and expect that students honor Christ in all behavior and activities 24/7/365. The school generally follows its discipline procedures contained herein. However, there are circumstances in which the school administration and/or board may determine, at their sole discretion, that it is appropriate not to follow progressive discipline steps. In cases in which a student has engaged in flagrant, immoral, illicit, illegal, homosexual, bisexual, transgender and/or other unacceptable behavior, including sexual harassment which reflects adversely on Timberlake Christian Schools, on campus or off campus, when school is in session or in recess, the school reserves the right to suspend or expel the student immediately. The administration may give parents the option to withdraw the student. In doing so, the discipline issue will not be discussed in the student's records.

### ***BULLYING POLICY***

Harassment or bullying of a student(s) by other students or any member of the staff is contrary to the schools' commitment to provide a physically and psychologically safe environment in which to learn. A student is being

harassed or bullied when he or she is exposed repeatedly and over time to negative actions on the part of one or more students. The complete policy is available upon request from the school office.

### ***DISRESPECT***

The school recognizes the individual rights of each child entrusted to our care. In a group situation as we have here, the rights and privileges of others are also to be respected. Teacher disrespect, including arguing with the teacher will result in disciplinary action being taken immediately. Students should approach the teacher after class to request a meeting to address issues of concern.

### ***INAPPROPRIATE ITEMS***

Students are not permitted to have any type of illegal drugs, improper literature, tobacco, vaping paraphernalia , alcohol, weapons, ropes, chains, matches, lighters, or other possibly dangerous objects on school property. Possession of these items may result in suspension or dismissal from school. Other items may be prohibited at the discretion of the school administration.

### ***LIFE PRACTICES***

Any student using verbal or written language including electronic media that suggests possible violent action or threats to another person or to him/herself may result in suspension or dismissal as determined by the administration. The fact that a student protests that he/she was “only teasing, kidding, saying it in jest,” etc. may not be reason to excuse such language.

Because of the school’s Christian testimony, use of coarse or vulgar language, use of tobacco, vaping, alcohol, narcotics, etc. are not permitted on or off campus. School sponsored activities must align with the school’s mission and vision statement.

Personal contact is prohibited between boys and girls while at any school function.

### ***DEMERIT SYSTEM (Grades 4-6)***

#### **MECHANICS**

1. Teachers record student name and offense on the demerit slip. The student must sign the demerit slip (Refusal to sign slip does not prevent the demerits and could increase demerit total). By signing the demerit, the student is acknowledging receipt of the demerit, not agreement. A student may then appeal the demerit with teacher or appropriate principal as necessary. The teacher turns in demerit slips to the Student Services office.
2. A record for demerits is kept in the office and demerits are recorded and tabulated weekly. Student Services notifies the appropriate principal when plateaus are reached.
3. All demerits are entered into renweb as received in the Student Services office and emailed to parents.

### ***DISCIPLINE (K-3)***

In grades K-3, teachers establish and maintain classroom grade level rules, procedures, and consequences as is appropriate. If a student has repeated difficulty in cooperating, the principal and/or parents will be consulted in addition to classroom consequences.

### ***DETENTION***

Should a student in grades 4-6 need to serve a detention, this time will be completed at the conclusion of the school day on a day designated by TCS. It is the student's responsibility to report on time to the designated location. Detention time will be supervised by a secondary faculty member and may coincide with other scheduled practices and/or games. This will be a quiet study hall and is to be used for reading, studying, or completing homework. Cell phone use during detention is always prohibited. The teacher may at their discretion, have students use this time serving TCS. This service may include picking up trash, sweeping floors, or other projects as deemed appropriate by the supervising staff member.

### ***COMPUTER USE POLICY***

Any student not following the TCS computer use policy may be subject to school discipline, including suspension or dismissal.

Students shall not:

- use any computer (personal or school) to send, receive, view, download, access or transmit material that

is copyrighted, illegal, profane, obscene, or pornographic; that advocates or constitutes illegal acts; or anything that violates scriptural principles such as threats or discriminatory remarks towards other people.

- post personal contact information about themselves or others on the network or Internet.
- attempt to gain unauthorized access to any computer system or go beyond personal authorized access. This includes logging into the system through another person's account or accessing another person's files.
- misuse, destroy, or alter the data of another user or deliberately damage computer hardware or remove it without permission.
- participate in chat room communications or access personal online mail accounts or social networking sites, except for specific instructional purposes, as authorized by a teacher, including text messaging of any kind while on campus.
- install or alter software or computer systems without the permission of a teacher.
- disrupt networked or non-networked computers by deleting or altering files, by spreading computer viruses, by hacking, or by any other means.

### **CELL PHONE & TEXTING**

Cell phones may not be seen or heard during the school day. They must remain turned off and in a bag or purse. They may not be used during school hours except with permission of a teacher or principal. If a cell phone is out or heard during school hours, including text messaging or taking pictures, it will be confiscated by the teacher and turned in to the principal. Repeated violations will result in the student's loss of the privilege to carry a cell phone during the school day.

Students may not use their cell phones to post negative statements about students, faculty, or staff via text message or social media. Students may not use cell phones to take, or post pictures/videos of any kind on school grounds including selfies.

Improper texting, i.e., possessing, viewing, sending, receiving, or forwarding sexually explicit or suggestive messages ("sexting") via cell phone, computer or any other digital device is prohibited at *any* time (in school or off premises) by any TCS student. A violation of this type may result in immediate expulsion and notification of local law enforcement. Students are required immediately to notify a teacher or administrator when they become aware of an offense.

TCS is not responsible for lost, stolen, or damaged cell phones. School administration may request to view the contents of any device believed to be used in an inappropriate manner.

### **ELECTRONICS**

Electronics are to be used for educational purposes only during the school day (7:45am-3:30pm). Electronics are not to be used for music, streaming, or gaming during the school day. (Extended care, indoor recess, or after-school activities may allow a broader range of materials). TCS is not responsible for lost, stolen or damaged electronics.

### **TELEPHONE USE**

In an effort to maximize educational time, students may use the office phone for emergencies only. We ask that parents and students make after school arrangements, food pick-up and drop off, etc. before the school day. If you need to get a message to your student during the school day, please contact the office and the message will be delivered to your student between classes.

## **DRESS REGULATIONS**

### **SCHOOL DAY DRESS**

TCS employs a uniform system of dress. First and foremost, we want to help the students focus their attention on the most important issues before them—their spiritual well-being and academic progress. Regulations listed here do not imply that those who disagree with these rules are sinful or wrong. These are institutional standards that

TCS believes are necessary to maintain a healthy learning environment. Visible tattoos and body piercings of any kind (other than ears for girls) are not permitted. Under no circumstances should these be visible, including during athletics, spring formal, or any school sponsored event. ## ACADEMICS

### **ACADEMIC ACCOMODATIONS AND RESOURCE PROGRAM**

Academics at Timberlake Christian Schools is generally structured for the average and above average student, and we reserve the right to consider the feasibility of all parental or student requests for any type of academic accommodation for the student. TCS maintains an Elementary Academic Resource Program at extra cost to the parent to address accommodations and modifications needed by the student. We will carefully examine options available and work with the parent and student within the framework of our program.

### **GRADING SCALE**

The grading scale for **K-3 grade** is as follows:

<u>Letter</u>	<u>Percentage</u>	<u>Scale</u>
A	93 – 100	4.0
B	85 - 92	3.0
C	75 - 84	2.0
D	68 - 74	1.0
F	Below 68	0

The grading scale for **4-6 grade** is as follows:

<u>Letter</u>	<u>Percentage</u>	<u>Scale</u>
A	90 – 100	4.0
B	80 - 89	3.0
C	70 - 79	2.0
D	63 - 69	1.0
F	Below 63	0

### **REPORT CARDS/PROGRESS REPORTS**

Academic grades are reported on a 9-week basis by letter grade and reported to parents electronically (grade 1-6) and paper (grade K). In addition, parents may access their child(ren)'s grades (grade 1-6) through RenWeb. Progress reports will be sent to parents via email for grades 1-6 at the midterm of each marking period. Students receive a grade of O, S, N, or U in grades 1-6 for elective classes.

### **HOMEWORK**

Homework information should be accessed by parents or guardians using RenWeb.

Though it is expected that primary grade children will have light assignments such as silent and oral reading and verse memorization, other outside assignments are not regularly given until the third grade. The "ten minute rule" is helpful in determining the length of homework assignments. Starting with Kindergarten, an average of ten minutes nightly increasing with each grade level is reasonable (e.g. grade 5 would average 50 minutes nightly). Moderate weekend assignments may be made in the upper elementary. Homework assignments are given to prepare students for independent study. In order to allow and encourage families to attend church services, there will be no homework assigned on Wednesday nights and no tests on Thursday.

### **HONOR ROLL**

TCS has an Honor Roll for grades 3-6 that is published after every marking period. The A Honor Roll consists of students receiving all A's in every subject. The A-B Honor Roll consists of students receiving all A's and B's in every subject. The *Honorable Mention* allows students to maintain all A's and B's and only one C balanced by an A in an academic area. Students may not have a D, F, or U in any subject to be on any honor roll.

### **PARENT-SCHOOL RELATIONSHIPS**

Parent-Teacher Conferences are scheduled after the first marking period, but parents are urged to communicate with the teacher at any time if you have any questions or concerns regarding student schoolwork. Please make an appointment with the teacher through the school office or through the teacher's TCS email. Parents who come to the school during normal school hours for any reason are asked to go to the school office first for a visitor's badge

before going to the classroom.

Lunches, homework, books, and other items are to be left in the school office to be delivered to your student.

The administration welcomes any suggestions that you might have to offer. There will be situations in the course of a year where there may be misunderstandings or areas of concern. We are a Christian institution with a great desire to improve our program and service for Jesus Christ; therefore, according to biblical principles, we ask that you bring your problems to the teacher first and then to the administration when necessary. Problems can be resolved satisfactorily if they are brought to the attention of the proper authority and worked through together.

### **RETENTION**

Retention is decided on an individual basis. Retention will be considered if a student receives *D*'s and/or *F*'s in two or more core subjects (math, science, history, and English) and/or if he/she is not able to do grade level work without continual frustration. The administration of the school has final responsibilities for the grade placement of the students.

### **STUDENT RECORDS**

Accurate and complete cumulative records are maintained for each student. All data maintained on an individual student is considered the student's official school records. The school has a responsibility to protect the rights and privacy of the student and his/her parents. The school, therefore, adheres to State and Federal statutes designed to safeguard information in scholastic records. Parents, guardians, or eligible students (18 years of age or attending a post-secondary institution) have the right to inspect and challenge the content of these records. Copies of school records or transcripts may be transferred to other schools or agencies upon the receipt of a valid written request for release. Transcripts will not be forwarded if the financial accounts are outstanding or if satisfactory payment arrangements have not been made with the school.

### **TESTING**

Standardized tests are used as aides in determining ability, evaluating needs, improving instruction, assessing academic progress, and pupil guidance. The following tests are used at Timberlake Christian Schools:

1. **In-View Test (grades 3 and 5)** This test is taken periodically to provide for assessment of general school ability or scholastic aptitude.
2. **TerraNova 3 Achievement Test (grades K-6)** This is a series of comprehensive achievement tests developed to provide measurement and assessment of learning at different levels of the educational process. It is designed to measure the important understanding, skills and abilities that are desirable outcomes of the curriculum. The TerraNova 3 is generally given in April.

### **TEXTBOOKS**

Per teacher instruction, non-consumable school owned textbooks must be covered. Adhesive and soft/cloth covers are not permitted. Books need to be covered by the beginning of the second week of each semester. The student's name should be printed on the front of the book cover. Students will be charged for damage beyond normal usage to school owned textbooks.

### **ATHLETICS/EXTRACURRICULAR (Grade 6)**

Students participating in any extracurricular activities must maintain passing grades (D or above) in all subjects and an overall average of C or above to remain eligible to play or participate. Eligibility is determined at the end of every 4 ½ week grading period. If a student must be suspended from a team/activity for academic reasons he/she can be reinstated once grades are brought back to a D or above with a minimum of one week suspension. **The student may not participate in practices, games, or performances during the suspension.**

Participation in athletics and extracurricular activities is a privilege that is earned not only through academics but through exemplary behavior as well. Students who struggle in these areas may see an impact in their amount of

playing time. Any student serving a detention on a given day may forfeit their right to play in that day's athletic event or extracurricular activity.

An athletic fee is charged to each athlete for each sport in which they participate in order to offset the cost of officials and other expenses related to the sport. **Each student must get a physical and fill out the VISAA sports physical form (available on the schools website) and turn it into the school to be kept on file before he/she can participate in a sport, including practices.** This has to be done on a yearly basis.

A student must be in school for at least three hours of the school day in order to participate in games or practice that day. If a student goes home sick, they may not return to school for games, practices, or activities that day. Unusual circumstances may be appealed for consideration to the athletic director or school administration.
